To: District 3 Regional Administrator
From: John P. Kostelac
Subject: Letter dated September 30, 2016

On the above dated letter I requested the number of Pennsylvania landlords and the amount of fines assessed for violating the EPA –HUD regulations for disturbing an area six (6) square feet or more in a building built prior to 1978 without a Renovator Certificate.

This information is important for use on our Landlord Education Seminars. I would appreciate a response.

Sincerely,
